March 7<sup>th</sup> (Sunday) 7:00PM – 8:30PM

**ABOUT CARDINAL BASKETBALL**

Cardinal AAU Basketball is a girls' & boys' basketball organization that field's teams ranging in age from 8-17 years old in the spring season. The purpose of AAU basketball is to provide opportunities for players to develop their life and basketball skills while playing at a competitive level. When teams are selected they are registered with the National AAU (Amateur Athletic Union) organization. The coach of each team is given the flexibility to make his/her own schedules based on team objectives for the season. The younger teams (8-12) generally play 30-50 games with the season lasting until mid-June. The older age groups (13-17) will play 40-60 games beginning in March and possibly lasting until July. Each player will pay a **\$290 registration fee** to the club upon making a team at the last day of tryouts. This cost covers, AAU card, registration fee into the Local AAU qualifying tournament, equipment and administrative costs.

**(Please add \$100 if the player needs a uniform)** The tournament cost each player will incur for their season ranges from **\$300-\$500** and is based on the number of tournaments the team plays in & how many out of town trips taken. All players will share tournament costs equally. All coaches and administrators are volunteers and are NOT paid. Cardinal AAU Basketball will field teams at the following age groups - 8's through 18's. Cardinal will also field a second team at all age groups when possible.

# Cardinal Spring 2010 AAU Basketball Tryout Registration Form

Please Print Clearly                      Circle: Boy or Girl                      **TRY OUT#** \_\_\_\_\_
