General Tournament Information

- **Jamborees** – 5 25-minute running clock games, all played on one day. Games start on the half hour. 2-3 minute warm-up time. No score kept. No 1 & 1, 1 shot on shooting fouls. Subs at dead balls only and must be waved on by the refs. **Teams may play on both days cost is \$500**
- **Regular tournaments** – 4 games guaranteed round robin format used. We will match you up with similar level of competition. Usually you will play 2 games Saturday and 2 games Sunday. You will play at your age group most times but may play teams older or younger based on level of competition. **We can be very flexible** you can have your team play 3 on one day and 1 on the other. They can play all 4 on the same day. Some teams ask to play all on one day in our regular tournaments and that is OK also we ask that you let us know in the comments section of the registration form.
- **One Day Runs-** Teams can play 1-6 games. They can play on Saturday only or Sunday only or they can play both days. Games cost \$90 and are stop clock.
- **LOCAL TEAMS** (within 30-40 minutes) may be asked to play Friday night games when we have a large number of teams in the tournament.
- **OUT OF TOWN TEAMS** – (more than an hour away) Will not play on Friday nights (unless requested by coach) Out of town teams will usually not play on Saturday before 12 noon, and will play early games on Sunday. The early games on Sunday are because out of town teams normally stay in hotels and want to be on the road home by 1-2pm Sunday. All of this is of course based on what the coach needs. We schedule most times around the out of town teams needs first.
- **EXTRA GAMES** – We are more than happy to schedule extra games for you team if that is what you need. The cost for an extra game is \$50 for the jamboree, and \$75 for regular tournaments. This cannot be paid for with the credit card. Please add to your check or pay by credit card and then send a check for the additional games.
- **Schedule requests** – We try to accommodate any schedule request we can. They are much more likely to happen if submitted with registration form. After the schedule comes out they are very difficult to make. No schedule changes will be made after Wednesday.
- **PAYMENT** - Any team that registered but not paid for by the deadline will not be included in the first schedule that comes out. That team would need to pay online to be included in the next schedule. We have had too many teams register to play and then back out.
- **Entering after the deadline or after the schedule has been posted** - We allow as many teams to enter after the deadline as we have spots for. The team must pay by credit card before they will be added to the tournament. We cannot honor schedule requests for those teams entering late.

- **Refunds for teams withdrawing from tournaments** – We will refund all funds for teams that withdraw before the deadline (the Sunday before) After the deadline and before the schedule comes out we will refund \$300. **After the schedule comes out we will not refund any of the entry fee.** The reason is that the gym time has already been booked we must pay the officials for the games whether played or not.
- **Multi Team Discounts** – We have had a number of organizations that frequent our tournaments over the past 10 years and we would like to say thanks to them with the following:
 1. Teams coming from same organization for same tournament
 - 3 or more teams a \$25 discount per team
 - 8 or more teams a \$50 discount per team
 - **One check needs to be written for all the teams and received before the deadline**
 2. Same team coming a number of times to Cardinal tournaments
 - First 2 Cardinal Tournaments attended full price
 - 3rd tournament \$25 discount
 - 4th and every one after \$50 discount
 - **Team must pay by deadline to receive this discount**

Non of these discounts can be done by credit card we are sorry that we can't make that work at the present time you can still pay by credit card and we can write you a refund check at the tournament
